

# ASI SUPERCLEAN 1009P

<u>ASI SUPERCLEAN 1009P</u>	<u>Specification</u>
Tank External Size	(to be confirmed by final design) SUS304 T=1.2mm
Tank Internal Size	L450xW450xH300mm      SUS304 T=2.0mm
Ultrasonic power	0.9KW/28KHz
Heating power	1KW
Ultrasonic direction	Down side
Voltage	220V/380V/415V/440V available
Pressure spring cover	SUS304 material
Basket material	SUS304
Filtration system	Storage tank,Filter,Recirculating pump,Pipeline
Electrical cabinet	Separated or Integrated control
Electrical components	Original German CeramTec piezoelectric ceramic chip; Generator:Siemens module; Schneider Electric; OmronTC; SommyCounter
Accessories	InletValve,DrainValve,Lid,Wheels
